WITH READY AIM TEACH!

"I have more student engagement, more fun, and I feel more invigorated. The day goes by so fast! Even my shiest students are coming out. Thank you!"

2020 Workshops

\$400 per two-day course. Two graduate credits available.

February 29 - March 1: Dynamic Teaching -- Argyle Country Club

Learn, practice, and leave with new strategies to get your students actively participating, up out of their seats, and cooperatively progressing through the course objectives as enthusiastic learners.

March 21-22: The ADHD Brain -- Manor Country Club

Discover how the ADHD brain works as we work through practical interventions to help your students improve their learning and behaviors. We will also provide you with resources to help overcome ADHD challenges.

March 28-29: Equity in Education: Interrupting the Status Quo -- Manor Country Club

Empower teachers to begin, or fine-tune, having courageous conversations about race and implicit bias. Teachers explore the important work around equity in education and examine their own cultural identity.

April 25-26: Success For English Learners -- Manor Country Club

Gain resourceful tools you can implement immediately to help your English learners develop their language skills while also absorbing the content.

May 16: Fold 'n Learn Course -- Manor Country Club -- 1 day 1 credit \$200

During the Fold 'n Learn Workshop, you will learn how the use of Foldables® – three-dimensional graphic organizers – can help your students move content from simple recall to long term storage.
